SPECIAL THANKS

Founded in 1873, the **Minnesota Academy of Science** is a statewide 501(c)3 nonprofit organization dedicated to providing opportunities for Minnesotans of all backgrounds to engage in STEM-related learning, inquiry, research, and networking. We serve K-12 and undergraduate students, educators, and schools as well as STEM graduates and professionals seeking to network and volunteer.

MAS seeks to expand opportunities and open the door to STEM majors and careers for *all* Minnesota students. We could not do so without our sponsors, donors, volunteers, and YOU!

We'd like to invite you to participate in the 2021 Science Bowl coloring contest (a totally optional activity) - perhaps something to keep you occupied in between rounds or while waiting for the award ceremony to begin?

Please contact emilyshepard@mnmas.org with any questions.

Instructions

Print out the coloring page attached to this program below, and get creative! You can also [download the coloring page from our website](#). If you don't have access to a printer, no problem - email emilyshepard@mnmas.org and I'll give you instructions for coloring the page digitally.

Submit a picture of your masterpiece via either social media, or email (emilyshepard@mnmas.org). If you use one of our social platforms, mention/tag the Minnesota Academy of Science so that we're sure to see your post. Feel free to use #MNScienceBowl to give your post added visibility.
